Our Company and History

Gujarat Peanut and Agri Products Limited. is a family enterprise, involved in processing and export of peanuts from Gujarat, India. Gujarat is a major contributor to peanut production in India.

We are the pioneers to start export of Gujarat origin Peanuts and Sesame Seeds directly from the growing region. In International market, the Company has earned goodwill in products like peanuts, sesame seeds, spices, pulses and grains.

What We Do

We source our raw materials from farmers and local traders in the growing region, bring the produce to our factory/warehouse for further processing/packing.

We offer a solid combination of high-quality products at the best prices - and our real value is our expertise in sourcing products. Every day, we help our clients by providing them market information and expertise from local as well as global knowledge.

[Our Vision & Mission]

At Gujarat Peanut and Agri Products Limited, we envision a world where everyone has access to nutritious and wholesome peanut products that contribute to a healthier and more vibrant life. We strive to be a global leader in peanut processing, setting industry standards for quality, sustainability, and innovation.

[Our Expertise]

The combined experience of our owners makes us a trusted and seasoned expert in our field. We have streamlined and developed high-tech processing plants that enable us to serve quickly and effectively to our client's needs. We are able to differentiate our service by offering on-time shipment, assured quality and the most competitive pricing.

Our Infrastructure

- Efficient equipment and machinery to perform the various operations with minimal losses and wastage.
- Best practices of hygiene, sanitation and safety to ensure the quality and safety of the final product.
- Skilled and trained personnel to operate and maintain the equipment and machinery, as well as to monitor and control the quality parameters.
- The unit complies with the relevant standards & regulations of the food industry, such as FSSSC 2000 & GMP

Our client base includes large and medium sized importers, manufacturer, wholesalers and distributors.
